Caring for Local Families and Their Cars Since 1984

State of the Art

In our facility, technicians have access to the latest diagnostic equipment and most current technical data. Our full service facility has more resources than many dealerships – including an on-site metal fabrication shop.

Because automotive technology today is always evolving, our technicians regularly participate in classroom and electronic training seminars. This means when you come to our shop, the person working on your vehicle has the most current skills available in the industry.

Customer Focus

We understand our customers have hectic schedules, and finding time for auto repair can be stressful. Our

shop offers many conveniences to help you get through your busy day, including:

- Children's play area
- Vehicle pick-up/drop-off service
- Same day repairs
- Military and senior citizen discounts

Full Service Auto Shop

Performance Unlimited is your local resource for maintenance and repairs on all your family's cars.

Expert services are available for:

- Oil changes
- Climate control
- Tune-ups and overhauls
